Fischer LandForce™ Series is ideal for land-based military applications

Product Features

Sealing IP68/69K even unmated

- Cable assembly containing epoxy
- One piece body

IP69K

Mechanical and visual coding

- Robust mechanical coding
- 4 options with visual coding

EMC 360° high performance shielding

- Grounding ring
- Cable assembly design

Soft sealing caps

- Noiseless in operation
- Easily installed on plug and receptacle

Product Range

The Fischer LandForce™ Series offers a wide range of body styles and configurations.

	Short Plug	Short Receptacle
Cable Mounted	<p>UP01</p>	<p>UR50</p>
	Low Profile Receptacle	Receptacle
Panel Mounted	<p>UR01</p>	<p>UR02</p>

Additional body styles will follow shortly

Cable Assembly Solutions

Fischer developed innovative complete cable assembly solutions for Fischer LandForces™ Series. Rely on Fischer's engineering expertise and order a complete turn-key solution from one source for your military applications.

- Durable and reliable overmolding designed for harsh environment
- High performance epoxy potting for IP68/69K sealed connector
- Cable assembly designed for excellent EMC 360° shielding
- Straight and right angle thermoplastic overmolding
