## Fischer Core Series

## Fischer UltiMate™ Original Series

## Product Range

The large range of connectors and cabling solutions provided by Fischer Connectors is perfectly adapted to your electronic equipment needs for harsh environment, such as marine exposure. Easy to connect, sealed, rugged and reliable, they add to the performance of your equipment.

## Cable Assembly Solutions

Fischer develops innovative complete cable assembly solutions. Rely on Fischer's engineering expertise for your harsh environment applications and order a complete turn-key solution from one source.

- Durable and reliable overmolding specially designed for severe conditions
- High performance epoxy potting for IP68/69K sealed connector
- Cable assembly designed for excellent EMC 360° shielding
- Straight and right angle thermoplastic overmolding

## Factory Testing & Validation

Complete factory testing and validation is your guarantee for a reliable installation and a cost efficient solution.

## Fast & Easy Installation

Factory pre-cabled solution for quick installation saving time and money in particular in hard to reach areas and also for easy maintenance.
